Cute, Personalised and Unique

Dubai retailer Coochy Coo unveils Spring 2011 range

Dubai - United Arab Emirates (1.st March 2011): Specialist Dubai baby apparel and accessory retailer Coochy Coo is promising a very personal Spring this year.

The Coochy Coo Team has developed a range of beautiful baby nursing bags, pillows, towels, t-shirts and even jewellery which can be personalised with the name and the birth date of the child.

From T-shirts to kindergarten bags, bathrobes to pillows, Coochy Coo is offering these cheeky handmade baby accessories in beautiful textiles and cute colours. Additionally, the personalised naming service has not been seen in the Dubai market before. All materials are 100 % cotton and imported from Europe (but made and personalised in Dubai), and come in limited quantities making them a very unique Xmas present.

Company co-founder and owner Tanja Peters commented "We believe Coochy Coo offers our discerning customers a welcome alternative to Dubai's 'big brand' retail world where it is hard to find unique Xmas presents. In fast-maturing cities like Dubai there is a distinct and growing number of shoppers who are

specifically seeking out hand-selected and handmade items and we are confident Coochy Coo's products provide the perfect gift solution" she concluded. Coochy Coo is also proud to confirm that it donates part of its profits to charity by supporting 2 foster children (brother & sister) in India where their organic cotton is from.

Coochy Coo already has a growing network of Dubai retail outlets where its product range can be purchased and product orders for personalisation can be submitted by the customer. Coochy Coo's product range is targeted at moms, moms-to-be, grandparents, family and friends. The company's website can be viewed at www.coochycoo.net where an outbound e-newsletter function is being developed for registering customers who want to find out more about current and future products.

Customer questions and enquiries can be submitted to shop@coochycoo.net or by calling 055 657 7982.
